

FORSTHOFF Oval Q Hot Air Welding Gun/Tool/Torch

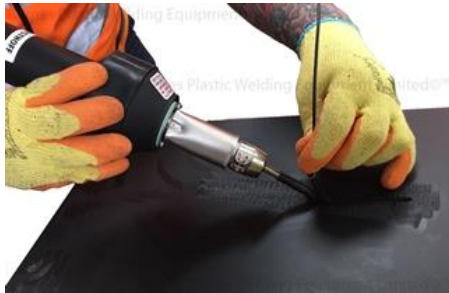

New tool - new features:-

- The new Oval Line's oval shaped smaller ergonomically shaped grip makes it easier to both handle & work with for long periods. This is ideal for plastic fabricators when undertaking plastic fabrication work. Carbon brushes with safety cut off when worn out - this prevents damage to the motor
- Amazingly lightweight at only 1.4 kilos (including mains power cable & plug)
- Slide on/slide off air filters for easy maintenance of the tool
- Carbon brushes with safety cut off when worn out - this prevents damage to the motor
- The new twin turbine system gives a great air flow of 240 litres per minute
- Variable electronic temperature control for welding of multiple plastic materials (i.e.: Both Flexible & rigid plastics)
- Main nozzle with built in heat protection cover
- On/off switch and temperature dial situated at the underside of the bottom of the tool.
- 12-month warranty on tool excl. element

Technical Data:

- Electronic variable temp control ambient - 700 degrees C
- Voltages: 230v or 110v
- Wattage: 1500w (230v) & 1650 (110v)
- Frequency (Hz): 50/60
- Air output: 240 l/min (Litres per minute)
- Noise Level: 70 dB
- (CE) Approved
- Weight : 1.4 Kilos (including mains cable & plug)

HDPE Sheet Welding (Fabrication)

Welding uPVC Ventilation Fittings

PVC Coated Textile/Tarpaulin Welding

Heat Shrinking Cable Sleeves

Vinyl Floor Welding

Single Ply Roof Welding

For use in the following industries/applications:-

- **Plastic Fabrication & Repair (Chemical Tanks/Ventilation Pipes & Fittings)**
- **Vinyl Floor Fitting & Installation**
- **Single Ply Roofing Membrane Installation & Repair**
- **Bitumen Flat Roof Installation & Repair (Flame Free Welding)**
- **Geo-membrane (HDPE) Landfill Sheet Laying (Tack Welding prior to Wedge Welding or Extrusion Welding)**
- **Heat Shrinking of Electrical Cable Sleeves**
- **Car Bumper Repairs (Plus Headlight Lugs, Brackets etc...)**
- **PVC Hygienic Wall Cladding Installation**
- **PVC Coated Textile Welding (i.e.: Tarpaulin Side Curtain Sheet Repairs, Marquee Repairs, Vinyl Banner Welding, Swimming Pool Covers, Repair of Sports Pitch Covers etc...)**
- **Plastic Kayak/Canoe Repairs**

 **FORSTHOFF** tools
for quality and reliability... at a reasonable price.
